When Their Eyes Were Opened, They Knew Him

64-0212 (Brother W.M. Branham)

26 Lord, let Bible readers here tonight see the Truth. Let them see that Malachi 4, that this anointing is supposed to come, and to restore back again that Faith that the father's once seen, the revelation of God in Christ. Now may they see the revelation of God in human beings, Christ manifested in the flesh of His Church, walking among us. Grant it, Lord. The promises You made, and the promises You will keep. And I commit myself, with the Word, with the Church, with all, to You now, in Jesus Christ's Name.

The Unsealing Of The Little Book Of Redemption

31st March, 2019 (Bro. Kevin Blewett)

.... the mystery of Godliness was already preached, then the Thunders could take that mystery and tell you, you are part of that mystery, you are part of God made flesh.

Mumbai, A City of Experiences

Mumbai formerly known as 'Bombay' is located on the western coast of India in State of Maharashtra. It is a thriving and lively city, producing lot of employment and business opportunities! As a result the city is densely populated, clustered with buildings, narrow roads and traffic.

There is no doubt that Mumbai in the 21st century is a tremendously exciting place to be. Over the last few years for the global traveller, flying in to spanking new BOM International terminal, the city has never been more attractive in terms of exploring the heritage, culture, tradition, festivals and variety of cuisines. Mumbai offers the unique experience of being not one city but many worlds apart from being a major contributor to the Economy.

It is not surprising to see how this place can co-exist by having sky scrapers and posh buildings in town while at the same time have slums right next to it which is a significant contrast, but shows the spirit of people who live here in harmony and respect each other. Home to some of the richest men in the world and also the natives who were originally Fishermen, everyone takes great pride in being associated with this vibrant city.

BOMBAY HIGHLIGHTS

The city is certainly safe, but like any other safe cities in the world there are certain caution and advisories in general to make your experience a pleasant one.

It is a good idea to have a look at the general notes for tourist travelling abroad posted on the official website by your respective countries on topics covering Immigration, Customs and Health Insurance.

There are Direct flights from USA, Canada, Europe, UK, Middle East, Africa and South Africa to Mumbai.

WEATHER AND OTHER GENERAL INFORMATION

- September is the end of monsoon season and there could be brief periods of rain showers. Day temperatures range from 25 degrees – 30 degrees Celsius, with high humidity levels, with much perspiration. We advise to carry a light rainwear/ umbrella and appropriate footwear.
- Travel Adapter will be required for charging your electronic devices, as the sockets are 220 Voltage.
- For commuting short distances, a Local means of transportation are (Three wheelers) also called Auto Rickshaws, and can be used for travelling around the city. Ensure that they are metered autorickshaws and do not travel with fixed rates if quoted by the driver. It's a good idea to travel with back up of google maps. Minimum Meter charges start at INR 18.
- You could purchase a local sim card at the airport if required. Although not mandatory - it will be of great help to use some local apps and also to stay in touch with the believers. The numbers start with +91 which is the country code and local number. If dialing a landline number from mobile then dial: +91(22) followed by the number.
- If you have purchased the Local Sim Card, you could download, an App for the taxi service called 'Ola' - which is similar to 'Uber Taxi.'
- 'Zomato', 'Uber eats' and 'Swiggy' are some of the famous food delivery apps that work well around here.
- The neighborhood around the Venue and including the premises are strictly Vegetarians but options for Non-Veg would be available around the hotels you stay. Beef is strictly banned as per the Indian law. The Cow is worshipped by the Hindus and considered holy. No Beef is allowed in the Country on Arrival either.
- Please inform us if you are planning to extend your stay or going for sightseeing so that we can guide you and also review the arrangements.
- Crossing streets anywhere and dodging traffic is a normal practice. Exercise caution while crossing the roads. Look both sides even if it's a one way road.
- Credit cards and Debit cards are accepted at most places. You may carry cash if required, to use at places where no ATM machines are installed.
- Pickpocketing is very common, even at the Airport, to ensure your wallets/purses are safely tucked.
- There are authorized Forex centers in the city to help you exchange currency.
- It is recommended that you keep your passport and travel documents in the locker in your hotel. Also, please take photocopies of your credit cards, driving license, traveler's checks and/or any document that you may deem necessary to carry with you in your wallet.
